OFFICE: No. 15 Quincy Street.

SATURDAY, JUNE 1, 1872.

were distributed yesterday from which We have had intimations from time to the word "Ohio" was omitted by accident. If one of these falls into your hands, write the word in, or, what is bet- the Chairman aforesaid he had consented ter, get one of those correctly printed to send his engineer to make a survey. The correct ticket bears the following Hearing that Mr. HENNY K. LIST, of this

"Wheeling & Ohio Union Railroad Co. Mr. McCullough on the subject, we (Bridge Company.)

"No Subscription."

from the Legislature, to make it appear that we then advocated what we now oppose. Such is not the fact at all, as any one may see who does us the compliment to read that article and this. The line of argument then was as to the feasibility, generally, of building a rallway bridge, as generally, of building a railway bridge, as proposed, independent of the Companies owning the lines crossing it. That argument proceeded on these important as-

tant aid in building it, and would patronize it when done.

the argument are embodied in this para. to be made by the city. The work is to

being so the city could pay the interest with the dividends and ultimately redeem the bonds with the stock, so that a sub-scription would actually involve only the loaning of our credit.

1st. The assertion that the C. & P.

2nd. Nothing is being done to carry adorn the romantic hillsides of Short along the W. & T. V. enterprise with the viz: The W. & L. E. supposing that to be a practical enterprise, as it does not

different. While we could advise one as a good investment, we can not advise the

It appears, therefore, at a glance that what we have advocated, and what is now

THE construction contract made with Mr. Willson and his associates is a great bugbear with some persons. It is teared that this construction company (who are said to be a set of New York sharpers) will displace the present board of directors of the railroad company, put in their own men and alter the contract to suit their own purposes. Now, we have often and critically examined this contract and nothing of the kind is possible under it.—

seeing this contract only through the eyes of interested parties.

Will also expect to pay in seeing this contract only through the eyes baker a lew more cents per pound nd loat than I now pay. This

A Word of Caution. A few "No Subscription" Bridge tickets and would patronize it when finished.

Plain Truth about the Bridge Scheme --What we have Advocated and What not. this statement : "Last Tuesday week I was in the office of Mr. J. N McCullough, President of the Cleveland & Pittsburgh Railroad and The Register in its persistent purpose to deceive its readers in the matter of the subscriptions to be voted on to-day, finds especial pleasure in laisifying the position the agreement with our City Council by sending his engineer here to make a sur-vey of it. He said his Company did not of this paper and perverting our utterances. It quotes with much italic type an editoral from our issue of March 6th, propose to subscribe to the bridge or to on the feasibility of building a bridge un. use it at all; that they had a bridge of their own at Steubenville and would send their freight and traffic for Wheeling der the charter then recently obtained

1st. That two new railroads, the Wheel, ing & Lake Eric and the Wheeling & Tuscarawas Valley, were to be carried Tascarawas Valley, were to be carried forward with the Bridge, the success of the three being held to be inseparable.

2nd. That the Cleveland & Pittsburgh miles of it, beginning at Sandays, in seven months; provided it is not delayed by the least the surface of the surface o

3rd. That the Bridge could be built for from \$600,000 to \$800,000. The spirit of the article and the basis of they authorize the proposed subscription

as we stated, yesterday, the C. de P line, and as the contractor is to receive full pay monthly for his work after the building the proposed bridge, by means of which they can come directly into the city and save a very large sum annually now paid for hauling and tolls. If the building of this bridge can be made also to insure the construction of the two projected railroads. construction of the two projected railroads— as we believe it can—it would be worth to the city all it might cost us, and would be in itself a very profitable enterprise, and

Railroad would help build the bridge was made on a positive assurance given us by the Chairman of the Railroad Committee of Council. The statement of HENRY K. List, Esq., which appears in this morning's paper, reciting a statement made to him by the President of the C. & P. Rail- and more expensive part of the line, we road Company, shows that that Company will not subscribe a dollar to the pany will not subscribe a dollar to the Bridge nor use it if it were built. That Cincinnati," with not even the crumbling dissolved. The books of the farm will be settle road Company, shows that that Comis a fact of first class consequence. It culverts and unfinished bridges that grace alters the case very gravely.

Creek and Deep Run. others. It is not even encouraged. On the other hand, speciar pains are taken to city into the hands of a gang of New defeat it; for the proposition is to build York sharpers, to be fleeced by them after the bridge so that that road could not the style of the Heathen Chinee, are depossibly get to it. It pleases the bridge nounced by the Wheeling Register as projectors, so far from making the bridge 'opponents of public improvements." insure the construction of this road, as The time will come, if the present schemes suggested, to make the bridge a certain carry, when those through whose machmeans of defeating it, and to force their inations the city suffered a loss of all the bridge project through without it. This capital she is now able to put into public leaves, then, but a single line of projected improvements will be described by a rallway in connection with the bridge. much harsher term.

3d. Mr. Linton's estimate for a bridge | much bearing on the question before our was \$1,100,000—from \$300,000 to \$500,
000 more than we contemplated. The 000 more than we-contemplated. The The INTELLIGENCER published the paprofitableness of a bridge used by three per in substance Thursday morning, stat railways and costing \$800,000, as coning fairly and exactly the purport, and templated by us, and that of a bridge the whole purport, of it. costing \$1,100,000 and used by only one road, as now proposed, would be widely

proposed to the people, in the matter of be spent in New York or some European this bridge, are two very different things, watering place. Who will Pay the Railroad Sub-Fo the Editors of the Intelligence yond a hundred or two dollars' worth of household effects, and therefore, paying

shall expect that the City Council will Then why don't you print it so that make the required subscriptions, and that other people may critically examine it after the first of April, 1873, my landlord and see for themselves whether nothing of will require me to pay a higher rent than the kind is possible under it? Our peo-ple cannot be expected to be content with will also expect to pay my butcher and will also expect to pay my butcher and
